CORE INITIATIVES

LEADERSHIP WATER CONSERVATION COMMITTEE

Position	Name	Email
Committee Members		
Director/City Council #1	Jason Knape	jknape@fulseartexas.gov
Director/City Council #2	Abhijeet Utturkar	autturkar@fulsheartexas.gov
Director/City Council #3	Patrick Powers	ppowers@fulsheartexas.gov
Community Liaison		

RESIDENTIAL WATER CONSERVATION OUTREACH

No information required for May Submittal.

HIGH WATER USER NOTIFICATION

Selected Threshold (top % or # gallons)
Director involvement in selection process?

40,000 gallons

Yes

Reasoning:

As part of a Municipal planning tool, the City of Fulshear established this trigger for high water user notifications to assist customers in managing their utility costs and encourage water conservation.

PICK THREE
